METRO PLAST 1

PRODUZIONE Via Puccini 15 - 21020 Daverio (VA)

Metro Plast snc è una Azienda leader nel settore degli strumenti di misura. Nata nel 1982 come produttrice di rotelle metriche, in pochi anni ha ampliato la propria gamma di articoli fino a diventare una delle più importanti aziende anche nel settore ferramenta ed edilizia. Vanta una presenza capillare in Italia ed esporta in tutta Europa e nel bacino del mediterraneo. Metro Plast snc produce tuttora le sue conosciute rotelle metriche nello stabilimento di Daverio (VA), adeguando l'esperienza decennale alle tecnologie più moderne, riuscendo a fronteggiare la concorrenza dei produttori asiatici. Le due nuove sedi di Galliate Lombardo (VA) sono solo l'ultimo passo in ordine di tempo per migliorare ulteriormente il servizio che da sempre contraddistingue la società, al pari dell'ottimo rapporto qualità/prezzo. Tutti gli strumenti di misura corrispondono alle direttive europee e sono marcati CE oppure punzonati singolarmente per garantirne la precisione.

METRO PLAST 2

UFFICI Via Vajone 6 - 21020 Galliate L.do (VA)
Tel. +39 0332 947302 - Fax +39 0332 949644

Metro Plast snc is a leader in the field of measuring instruments. It has been established in 1982 as a manufacturer of fibreglass tape measures and in a few years, it has expanded its range to become one of the most important supplier for hardware and construction tools. It has a presence in Italy and exports throughout Europe and the Mediterranean basin. Metro Plast snc still produces its famous tape measures in the site of Daverio (VA), adapting the decades of experience to the new technology to support the requests of the market. The two sites in Galliate Lombardo (VA) are just the latest step in time to further improve the service that has always distinguished the company, like the excellent ratio quality/price. All measuring instruments meet the European directive 2004/22/CE and CE marked.

METRO PLAST 3

MAGAZZINO Via per Daverio 10 - Galliate L.do (VA)

Metro Plast snc est une entreprise leader dans le secteur de la fabrication des instruments de mesure. Fondée en 1982, son activité principale est la fabrication des mesures longues puis, au fil des années sa gamme a été étoffée par des outils pour le bâtiment et la fourniture industrielle. Son influence est aujourd'hui capillaire en Italie et développée à l'export en Europe ainsi que dans tout le bassin méditerranéen. L'unité de production basée à Daverio (VA) a permis à Metro Plast d'acquérir au fil des années une expertise et une technologie de pointe qui répondent aux exigences des nos partenaire. Les 2 sites de Galliate Lombardo (VA) sont destinés au marketing et à la logistique. Tous les emballages et étiquetages des produits sont réalisés en interne; ils permettent une innovation constante et une très grande souplesse pour la personnalisation de tous les produits. Tous les articles de la ligne instruments de mesures répondent à la directive européenne 2004/22/CE et sont estampillés CE.

 L'ordine si intende conferito od assunto "salvo approvazione della casa". L'approvazione viene manifestata con conferma o anche con la sola evasione dell'ordine. Con il conferimento dell'ordine si intendono accettate interamente le condizioni generali di vendita.

Per ogni ordinazione attenersi all'unità di vendita e relativo multiplo. Ci riteniamo autorizzati a modificare d'ufficio eventuali quantità non corrispondenti all'unità di vendita.

La spedizione è effettuata in porto franco con addebito in fattura se il trasposto viene eseguito da un corriere con noi convenzionato. La spedizione è effettuata in porto assegnato se il trasposto viene richiesto un corriere con noi non convenzionato.

Non si accettano ordini inferiori a Euro 150,00 Iva Esclusa.

Gli ordini vengono evasi, anche parzialmente, secondo disponibilità di magazzino. I termini di consegna eventualmente espressi sono indicativi e mai impegnativi. È nostra facoltà, secondo la disponibilità di magazzino, annullare o dilazionare le quantità non consegnate nei termini concordati.

Per articoli non disponibili, di ordini evasi parzialmente, il residuo che si renderà disponibile verrà spedito in porto franco se raggiungerà il minimo fatturabile di Euro 100,00 a meno che non vi siano altri ordini in corso evadibili come da ns. condizioni di vendita.

I prezzi, in linea di massima, saranno accettati ed evasi conformi alle condizioni di acquisizione. ci riserviamo comunque (per casi eccezionali di condizioni di mercato) di variare le quotazioni in qualsiasi momento.

Le illustrazioni, le caratteristiche e tutte le altre indicazioni descritte sul catalogo si intendono approssimative, riservandoci di apportare tutte quelle modifiche che, a nostro giudizio, costituiscono migliorie, senza che ciò possa giustificare reclamo da parte del committente.

La merce viaggia a totale rischio e pericolo del committente anche se venduta franco destino. Eventuali irregolarità circa la quantità e la qualità, nonché ogni altro eventuale vizio o difformità relativamente alla merce consegnata dovranno essere rilevati dall'acquirente, all'atto del ricevimento. Poiché si verificano casi di ammanchi o danneggiamenti per merci spedite tramite corriere si raccomanda di controllare scrupolosamente la merce in arrivo e far sottoscrivere al consegnatario eventuali difformità. Ogni ammanco, ritardo o disguido dovrà essere contestato al vettore. Trascorso il termine di 8 giorni dal ricevimento della merce decade il diritto di presentare reclami relativi a vizi o altre difformità non appartenenti all'atto del ricevimento.

Non si accettano resi se non preventivamente autorizzati con lettera scritta, e mai per merce serigrafata del cliente o merce su richiesta. Per la merce che sarà restituita dovranno essere indicati sulla bolla di reso gli estremi delle bolle di accompagnamento e fatture di acquisto.

Il reso dovrà pervenirci in porto franco altrimenti verrà respinto.

Il pagamento della fattura deve essere effettuato entro i termini stabiliti presso la nostra sede o a persona da noi autorizzata. Non sono ammesse trattenute arbitrarie ed arrotondamenti. Trascorsi 7gg dal termine di pagamento si intendono revocati gli sconti di pagamento e le fatture dovranno essere pagate per intero.

In caso di mancato pagamento, parziale o totale di una fornitura, anche se contestata da parte dell'acquirente, ci riserviamo il diritto di sospendere ogni altra consegna successiva, anche dipendente da altri contratti, o di ritenere risolto il contratto per fatto e colpa dell'acquirente. In caso di ritardato pagamento delle fatture, saranno addebitati interessi di mora nella misura al momento praticata da primarie Banche Italiane per scoperti di conto corrente. L'interesse di mora sarà applicato per il periodo intercorrente dalla scadenza della fattura al pagamento effettivo del saldo con sovrapprezzo di € 25,82 (spese amm.) per ogni insoluto di R.B.

L'acquirente si assume ogni responsabilità per l'uso di marchi di fabbrica, di nomi o stemmi che prescriba di apporre sui prodotti forniti. Gli stampi, i cliché, i bozzetti ecc. restano in esclusiva proprietà della fornitrice, anche se l'acquirente ne ha sostenuto in parte o per intero il costo.

Per qualsiasi controversia è esclusivamente competente il Foro di Varese.
